EFT SERVICES
USER NOTICE 119/07

Any queries relating to the contents of this notification must be referred to the Liaison Officer of your Sponsoring Bank as per Appendix K of the BANKSERV User Manual.

Note: BANKSERV no longer publishes the "Effective Date" at the bottom of the BANKSERV EFT (Magtape) Service User Manual pages. The "Publication Date" of the Notice will appear in this section, as multiple implementation dates could affect the same page. We therefore recommend that the notice accompanying the pages be kept in a safe place for reference to the date that the change will become effective.

This User Notice is issued in terms of Clause 8 of the "BANKSERV EFT (Magtape) Service User Agreement" and Rule 2.1(a) of the BANKSERV EFT (Magtape) Service User Manual. Users should carefully note its contents, as changes are being advised affecting the Rules and Conditions under which the service is provided.

1. AFRICAN BANK LIMITED - Amendment to CDV routine & Revised Implementation Date

User Notice 118/06, published on the 24 November 2006 has reference. The weighting digits of the new Modulus 10, African Bank CDV routine published in user notice 118/06 were incorrect.

Furthermore African Bank has advised that they are now not in a position to implement the additional account types, Current Accounts (type 1) and Transmission Accounts (type 3). African Bank will however continue with the implementation of the Modulus 10 CDV routine, the amended weighting digits are provided below and African Bank will maintain only Savings Accounts (Type 2).

All EFT participants are to take note of the amended African Bank CDV routine listed below with special attention to be given to the amended weighting digits.
